We're Hiring

Position:

Security Systems Technician

- Install Intrusion, Surveillance and Access Control Systems. Home Automation & Entertainment.
- Problem solve and trouble-shoot
- Pre-wire new structures
- Customer relations and occasional sales.
- Excellent knowledge of current Technology

Certification would be an asset; however, we are willing to train the right individual that fits our company.

Applicants Must Be:

- TQ Trade Certified in BC w/ Low Voltage FSR is an asset, but not necessary.
- Physically fit to pull, kneel, squat, lift a ladder and up to 90lbs (occasionally above your head), as well as use power tools.
- You must be clean cut and professional. We work in prestigious places so we need you to be pleasant, forward thinking and show common sense while maintaining a tactful manner.
- You must provide a Criminal Record Check dated within the last 30 days.
- You must have a valid BC Drivers Licence and provide a Drivers Abstract dated within 30 days.
- MUST be willing to learn and update skills as necessary.

Wage based on experience.

Benefits and special privileges included.

Are you who we're looking for?
